ASTORIA ARMORY — ASTORIA, OREGON

March 6-7-8, 1959

RON GRAVES
CHAIRMAN

WELCOME TO THE

The Astoria Lions club officers and members extend a cordial welcome to all visitors. We hope you enjoy the show and the exhibits.

We wish to thank all of the exhibitors and participants for their part in making the Home, Auto and Boat show possible.

We wish also to thank the advertisers in our program.

We have attempted to make the show bigger and better each year and have made an honest attempt to put on a good stage show. We hope you enjoy it.

It is our sincere belief that we benefit our community and provide a show for the entire family.

We are glad you came and hope to see you again next year.

LIONS OBJECTIVES

1. To create and foster a spirit of "generous consideration" among the peoples of the world through a study of the problems of international relationships. . . .
2. To promote the theory and practice of the principles of good government and good citizenship. . . .
3. To take an active interest in the civic, commercial, social and moral welfare of the community. . . .
4. To unite the members in the bonds of friendship, good fellowship and mutual understanding. . . .
5. To provide a forum for the full and free discussion of all matters of public interest, partisan politics and sectarian religion alone excepted. . . .
6. To encourage efficiency and promote high ethical standards in business and professions; provided that no Club shall hold out as one of its objects financial benefits to its members.

CODE OF ETHICS

1. To show faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
2. To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
3. To remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
4. Whenever a doubt arises as to the right of ethics of my profession or action towards my fellow men, to resolve such doubts against myself.
5. To hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
6. Always to bear in mind my obligations as a citizen to my nation, my state and my community, and to give to them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.
7. To aid my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
8. To be careful with my criticisms and liberal with my praise; to build up and not destroy.

HISTORY OF

Slogan---Liberty . . .

The International Association of Lions Clubs was founded in Dallas, Texas in 1917 upon the idea of Unselfish Community Service. From this beginning, Lions International has experienced phenomenal and unprecedented growth to become the World's largest service organization. Its membership numbers over 590,000 members, over 14,000 clubs located in 92 countries or geographical locations of the World.

Numerous activities and projects have been completed during the past 32 years by Lions Clubs, to help make their communities a better place in which to live and to help countless individuals less fortunate than themselves; exemplifying their motto, "We Serve."

ASTORIA LIONS CLUB HOME

CAMP CULLABY

---FOR BOY

Financial support for Astoria, Clatsop county, and Oregon youth is derived from public support of the Astoria Lions Home, Auto and Boat show.

More than two years ago the Astoria club adopted the reconstruction of historic Camp Cullaby Boy Scout camp as their number one project. Since that time more than \$1000 of Home show dollars have been poured into the project.

Members of the Astoria club have devoted hundreds of hours of volunteer labor in constructing facilities at the camp, which is located just minutes away from Astoria on a strip of land that juts into Cullaby Lake.

Basic construction undertaken by the Club includes erection of dinna-kitchens and Adirondack shelters. The camp is envisioned as an overnight camp for Scouts.

AUTO and BOAT SHOW HELPS PAY FOR RECONSTRUCTION PROJECT SCOUT USE---

Even before construction work was underway, and since that time, hundreds of Boy Scouts each year have used facilities at the campsite. The original campsite was started some 20 years ago. Years later, at the time the Lions club completed arrangements to adopt the project as their full time responsibility the area Scout officials signed a 10 year lease for the campsite with the Portland area Boy Scout council. Thus use of the campsite for Scouting is assured for a decade and even beyond that by assurances of renewal of leases by Scout executives.

Access to the wooded campsite is gained by overland trails through brush and trees and by boat. One of the first projects of the club was to improve docking facilities at the campsite.

Since that time approximately a dozen dinna-kitchen, which are combination kitchens and dining areas, and open air sleeping quarters with sheltered roofs and sides, have been constructed.

Work on the project is conducted primarily in the summer months and on weekends. Lions officials see a busy summer ahead for club members as the project continues through this summer and the decade immediately ahead.

CENTENNIAL EXHIBIT

It is a celebration year for Oregon as the state notes its 100th birthday, and the Astoria Lions Club salutes the anniversary with a Centennial theme for the 7th annual Home, Auto and Boat show.

Every county in Oregon has readied special plans for Oregon's Centennial summer, and Clatsop county is no exception. A booth has been constructed in the lobby of the Armory for the Home show by the Clatsop County Historical Society. This exhibit is from the archives of the Historical Museum.

Miss Adelaine Sather is in charge of the booth and has worked with the cooperation of Jack Wood and Otto Owen, of the Historical society, and other society members in the preparation of the exhibit.

Main feature of the Centennial celebration, other than the county celebrations, will be the Centennial Exposition and International Trade Fair which starts in June.

In the county the Home show, the Astoria Regatta, the Miss Oregon Pageant and other annual summer events will be coupled with the Centennial celebration.

LIONISM AIMS

Lions Clubs are non-political, non-sectarian service organizations composed of the community's leading business and professional men. Membership is by invitation only.

The purpose of a Lions Club is more than good fellowship and club social life, important though these are. It is to recognize community needs and develop means of meeting them, either through its own effort or in cooperation with other agencies. During the fiscal year 1951-1952, Lions Clubs successfully completed 138,585 separate activities.

Lionism is an active and efficient medium for united community effort and enterprise. It is also an outstanding medium for national and world service, exerting tremendous influence for national welfare, international unity and peace, and human progress socially, culturally, and economically. The importance of Lions' work in all these fields is widely recognized.
